

Online Giving through Diocesan-wide Parish Support Website

The Diocese is providing an online Diocesan-wide Parish Support option.

The page was launched on Friday, March 27 at <https://www.allentowndiocese.org/parish-support>.

The new web page allows anyone to designate a one-time or recurring credit card only gift to their parish.

All gifts made via this site are deposited into a restricted account which has been set up specifically for this purpose.

These funds are not intermingled with other Diocesan funds or appeals.

All funds will be distributed by electronic deposit or by check directly to the parish.

The Universal Parish Support site is built on the same platform which is used for the Annual Appeal.

It is safe, secure and tested.
